# CUCUMBER AGUA FRESCA

Yield: 8 servings

Time: 8 minutes

## INGREDIENTS

- 4-1/2 cups seeded, coarsely chopped cucumbers (about 4 medium)
- 4 cups cold water
- 2 cups ice cubes
- 1 cup sugar
- 2/3 cup fresh lime juice
- 2 generous pinches of salt
- Additional ice cubes
- Garnish ideas:
  - Mint, diced cucumber, cherry tomatoes, lemon, parsley, celery sticks

## DIRECTIONS

In a blender, combine 2-1/4 cups chopped cucumbers, 2 cups water, 1 cup ice cubes, 1/2 cup sugar, 1/3 cup lime juice and 1 pinch of salt. Blend until sugar dissolves and mixture is smooth but slushy, about 2 minutes. Transfer mixture to a pitcher. Repeat with remaining cucumbers, water, ice cubes, sugar, lime juice and salt.

Place additional ice cubes in 8 tall glasses and fill with agua fresca.
