# LEMONADE PIE

Yield: 1 deep dish pie

Time: 20 minutes + chilling

## INGREDIENTS

- 1 8-ounce package cream cheese
- 1 14-ounce can sweetened condensed milk
- 1 6-ounce can frozen lemonade concentrate - thawed
- 1 6-ounce container non-dairy frozen topping - thawed
- 1 deep dish graham cracker crust (10 - 12 inches)
- Lemon zest or slices for garnish

## DIRECTIONS

In a mixing bowl using a hand mixer, or in a stand mixer - blend cream cheese until smooth. Blend in condensed milk, then thawed lemonade concentrate. Fold in whipped topping.

Pour filling into graham cracker crust. Chill pie for at least 2 hours, or overnight. Before serving, garnish with lemon zest or slices.

## CHEF'S NOTES:

Pie can be frozen and served as a "cold" dessert.

It is easy to double this recipe, especially since lemonade concentrate also comes in larger cans, as does whipped topping. Freeze one for later, or give one to a friend.
